

Dear Arab Student Association, Filasteen, and Turath,

Between 1947 and 1951 over 800,000 Jews were forced out of Arab countries just because they were Jewish.

Enough.

We can go on arguing like this forever.

Let's recognize that each side has suffered, that each side has legitimate claims.

It's time to look forward.

Let's write a new chapter in Columbia's Israel-Arab discourse.

We invite you to help us find solutions.

We are ready to talk. Are you?

Enough.

Let's recognize that each side has suffered, that each side has legitimate claims.

It's time to look forward.

Let's write a new chapter in Columbia's Israel-Arab discourse.

Dear Arab Student Association, Filasteen, and Turath,

In 1948, on the eve of Israel's establishment, five Arab armies attacked the nascent state.

Enough.

We can go on arguing like this forever.

Let's recognize that each side has suffered, that each side has legitimate claims.

It's time to look forward.

Let's write a new chapter in Columbia's Israel-Arab discourse.
